

THE THREE CREEK BASSETS PRESENT
THE GUMBO FLATS TIN CUP CHALLENGE PET DOG SHOW

This is a Pet Dog Show held for the amusement of the Three Creek Bassets and their members and constituents, to be held on the grounds of Three Creek Farm, in Weldon Spring, MO. Sunday, July 26th
The Show will start at 10:30 AM. Music will begin at noon and lunch will be served at 1:00 PM.

The Show is open to all PET DOGS. There will be a costume Parade followed by two classes; one for SPORTING DOGS and the second for NON-SPORTING DOGS.

The definitions of these are not exactly those of the AKC.

For this show, SPORTING DOGS will be Beagles, Bassets, Foxhounds, Terriers... Bird Dogs... generally the types bred to hunt small game and birds. If you consider your Dog a SPORTING DOG you may propose him/her for consideration in this division.

A NON-SPORTING DOG is one of a diverse group including all the other Dogs. They vary in size and function. Many would be considered Companion Dogs (those whose sole purpose is so keep a person company) and others would be categorized as Working Dogs; for example Guard, Support or Herding.

If you think your Dog is a NON-SPORTING DOG you may propose him/her for consideration in the NON-SPORTING DOG Division.

The Dogs will be judged on conformation and their way of going, or movement. The two divisions will each have a winner and four places.

First Place is worth 5 points towards the Championship.

Second place is worth 4 points, Third, 3 points, Fourth, 2 points and Fifth, 1 point.

There will be four additional opportunities to gain extra points...making it possible for a Dog that does not place First in his class to make up the points, and become the CHAMPION!

There is only one Champion for the Show!

For additional points, each competitor will be given the chance to perform a trick, demonstrate obedience, or show off his agility using the provided props. The judges will value these efforts and award points at their discretion.

The process of selecting an ultimate winner for the whole show makes comparing apples and oranges a breeze!!! There will be two judges working together. Their identity will be announced on the day of Competition.

GROUND RULES

All Pet Dogs must be held on leash, in a car or crate at all times while on the grounds at Three Creek Farm.

It is requested you not lead your Pet Dog to the Basset Kennel for a visit. This makes the Bassets very uncomfortable and might cause a fight in the kennel.

It is also requested you not allow your PET DOG to chase or otherwise harass the resident Peacocks or other small animals or birds on the farm.

Please do not toss treats to the Bassets in their kennels, and remember before you give anything to another person's Pet Dog, that you ASK whether it is OK to do so.

Please ask if you have forgotten to bring a water bowl for your dog. One of the Show Officials will be happy to help you get your thirsty pup a drink.
